## COURSE INTRODUCTION

On 27 September 2018, Suruhanjaya Syarikat Malaysia (SSM) has launched the Malaysian Business Reporting System or its acronym, MBRS. MBRS refers to the submission platform based on the eXtensible Business Reporting Language (XBRL) format.

MBRS allows for the submission of:

- i. Annual Return (AR);
- ii. Financial Statements and Report (FS); and
- iii. Exemption Applications (EA) related to the FS and AR.

The guiding principles behind the financial and the non-financial scopes for MBRS is based on the Companies Act 2016, Malaysian Private Entities Reporting Standards (MPERS) and Malaysian Financial Reporting Standards (MFRS).

The mandatory submission for annual returns, certificate for private exempt company and unaudited financial statements to SSM are in two phases and by zones from November 2018.
